Important notes):

You are a competent intermediate English speaker. You show a good degree of control of a range of simple and some complex grammatical forms. Your pronunciation is intelligible, there are times when certain words are mispronounced, but this is only a matter of practice and correction. You use a wide range of appropriate vocabulary to give and exchange views on familiar and unfamiliar topics. Your contributions are relevant, coherent and varied.

You express yourself well, however I can see there are times when you wish to express more. I suggest writing activities, and a continued effort to push yourself out of your comfort zone.

You are always motivated! You contribute greatly towards the class and for this I thank you. You are a pleasure to teach and participate well.

Well done, and I will continue to assist you in improving and reaching new heights in your English.

:)
